

WORKER PASSPORT

Store all licenses and tickets digitally

Upload front and back photos of all your cards

Pre-fill inductions forms

With a passport set up, your induction time can be reduced by up to 50%, because all your details and photos of your cards will be automatically pre-filled

Get alerted when licenses and tickets expire

When any of your cards expire, SignOnSite will send you an alert in the Passport tab

Share passport with other builders (even if they don't use SoS)

You can share a pdf copy of your whole passport via the share button to any valid email address

HOW TO GET STARTED

Make sure you have updated your app, then click the passport tab to get started. You can create your passport before you get to site

If you need support contact support@signonsite.com.au
